

To: Dance Students and Parents
From: Dance Faculty
Subject: Spring Dance Concert
Date: March 31, 2014

Payments for costumes are due now! Assuming all shipments arrive on time, costumes should be given out the week before the show and will not be released to individuals who have not paid for their child's costumes or tuition. The Administrative Office will handle money and checks. **The dance faculty will not take the money or checks.** Dates for the dance rehearsals and dance concert are dictated by the availability of Harrisonburg High School's auditorium and scheduled events. We cannot always select the times and dates of our choice.

The **Spring Dance Concert** will be held **Saturday, May 10th at 7:00 pm and Sunday, May 11th at 3:00pm at Harrisonburg High School.** We will have a full **dress rehearsal for the Saturday Show on Wednesday, May 7th from 5:30-9:00** and a full **dress rehearsal for the Sunday show on Thursday, May 8th from 5:30-9:00 pm.** Rehearsal may run slightly under or over time so we ask that all parents be patient and stay until their child has rehearsed. Rehearsals are essential to developing a sense of confidence and satisfaction in performing, as well as ensuring a smooth, and positive performance. Dancers who have missed dress rehearsal are not emotionally, mentally, or psychologically prepared to perform. Therefore, **students who miss dress rehearsal will not be permitted to perform in the show.** We want this to be a positive and successful experience for every student!

All students must arrive in plenty of time to give themselves a proper warm-up. Dancers cannot perform without a proper warm-up (especially older students). Those who try to dance without warming up run the risk of injury and technical errors. For small children this means a nap, a snack, and a few trips to the bathroom! Bring coloring books and crayons (not markers!) for young children to occupy their time before their dance.

For dress rehearsal and concert performance all dancers should apply lip color, cheek color, and eye color. **All dancers must have their hair in buns unless something else is worked out with your instructor!** All barrettes and hair fasteners should match the dancer's hair not the costume and should not be metallic or sparkling. All jewelry must be removed prior to arriving to the dress rehearsal and the performance. Please do not wear underwear under the costumes; bunched up underwear under tights is unsightly. **Dancers with costume changes should place costumes and accessories on rolling rack upon arrival. A rolling rack will be taken to the dressing room prior to the concert and rehearsal (dancers are responsible for their belongings and changing from one costume to another). Younger children who have costume changes must have a parent back stage to help them.**

Dancers should not chew gum or have candy at any time during the rehearsal or concert. Also, dancers should leave valuables at home. **No food or drinks are allowed inside Harrisonburg High School's Auditorium!!** Please make sure that all trash goes into proper receptacles, not under seats.

Parents will not be allowed backstage during the dress rehearsal or the concert unless they would like to supervise a group of dancers for the entire time or are helping a child with a costume change. No parent is allowed on stage with his or her child for any reason. If your child has stage fright, we will make every effort to encourage them the best we can with the time we have. If you have fear of this happening talk to and encourage your child the best that you can before the show. Each class will need at least one and no more than two parent volunteers. **If a class does not have a parent volunteer, then that class will not perform!** If you are interested in volunteering, contact your child's instructor and sign your full name on the sheet on the door. Volunteers are essential to having a successful and smooth performance. **All students must stay for the entire show and participate in the finale.**

GITCHELL'S PHOTOGRAPHY will be at the High School to take pictures on Wednesday, May 7th and Thursday, May 8th from 3:30-7:00 pm. The photo package offered this year will be one 5X7" and four wallet-size "dance cards" for **\$10.00. Photos must be paid for at the time of the sitting.** Remember, rehearsal will start at 5:30, so **please have pictures taken before your child rehearses or right after** if time is efficient. **Pictures can be picked up two weeks after the concert at Gitchell's downtown store, located at the corner of Market and Federal Streets.**

The Harrisonburg Parks and Recreation Department has been striving throughout the year to provide students with the utmost quality in dance education in a positive and nurturing learning environment. Please note the recital schedule below and please remember—do not miss dress rehearsal! We are looking forward to a successful recital weekend! If everyone works together to keep the above-mentioned guidelines in mind, we will have a smooth, organized, safe, and most important fun performance. There will be no exceptions to the rules! Remember, the instructors have many years of experience in dance concert planning and dance education. Parents and students are expected to abide by the rules and respect the instructors or coordinator's authority.

There will be no saving of seats! When sitting in the auditorium please be respectful to those watching. Please avoid getting up in the middle of dances as it is rude towards those trying to watch their dancer perform. As audience members, please keep the noise level down, talking during performances is distracting to the dancers and to the families watching. Please respect the elderly! Please applaud equally for each performance.

Please note: On dress rehearsal, no one except volunteers, concert workers, and Blue Crew members will be allowed in the auditorium until 5:00pm. **Volunteers for the dress rehearsal must arrive at Harrisonburg High School at 4:45pm.**

The night of the concert volunteers must arrive at 5:30pm for the Saturday Show and 1:30PM for the Sunday show.

On the night of the concert the doors to the auditorium will open at 6:00pm on Saturday and 2:00pm on Sunday. Both at the dress rehearsal and concert, all volunteers and workers will be asked to sign in and wear a tag stating their name and which classes they are supervising then report to assigned rooms.

Lastly, we want to thank all parents and all who will be volunteering their time in this exciting experience in the lives of our children's dance education. We realize this takes a lot of patience and time. A dance concert, just like any school play or sports event, takes a lot of preparation and months of planning the concert order, choreographing the dances, selecting music, organizing volunteers and concert expectations, dancing with and encouraging the students in the wings backstage during the show, booking Harrisonburg High School's auditorium, pictures, ordering and selecting costumes, printing programs, and training curtain, music and light technicians. Every attempt will be made to keep the show and rehearsal at an appropriate length. Just keep in mind that technical glitches are always bound to occur and your patience and understanding is appreciated. There is a lot that goes on behind the scenes to make a performance possible, and we are especially grateful to volunteers. Without your help and support, this fun opportunity would not be possible. Your generosity, patience, and help are greatly appreciated!
